3/3*

the most important Canvas on the ITD Slack ✓

CYF has created a *Slack Canvas* in most channels to share useful info within Slack

The Canvas titled Canvas - Welcome (or **Welcome to ITD**) in the #general channel contains a lot of useful information about ITD Slack Workspace. Which of the following pieces of information **cannot** be found in this Canvas

.Note: You must be signed into Slack to access the above link

A link to the full ITD curriculum ☐

Guidelines on using the ITD Slack ☐

Listing of useful channels ☐

Frequently asked questions ☒

2/2*

Locating a Canvas in a channel ✓

Every questions-support channel has a Canvas containing a "Frequently Asked Questions" section

In the only Canvas in the **#step-0-questions-support** channel, what is the last question listed in the "Frequently Asked Questions" section

.Hint: Search the web for "How to find Canvas on Slack"

Why can't I upload a screenshot? ☒

What image should I upload? ☐

How to take a screen shot? ☐

Which channel should I post the message that introduce myself? ☐

2/2*

Knowing which channel to ask questions ✓

Which channel is the most appropriate channel to ask question related to "step 3"

#questions-support ☐

#step-3-questions ☐

#step-3-questions-support ☒

#general ☐

2/2*

The ITD Curriculum website ✓

You can view the instructions for all ITD steps on the ITD Curriculum website. What is the URL of this website

.Note: Trainees cannot submit anything through the ITD Curriculum website

<https://itd.codeyourfuture.io> ☐

<https://codeyourfuture.io> ☐

<https://intro-to-digital.codeyourfuture.io> ☐

<https://curriculum.codeyourfuture.io/itd/> ☒

3/3*

Acceptance Criteria of a step ✓

Each step on the curriculum website includes an *Acceptance Criteria* section outlining what you need to do to complete that step. Which of the following are listed as the acceptance criteria for Step Two

✓ You have submitted your answers in the "Slack and Search Engine Exercise" and scored at least 25/30. ☒

You have taken a screenshot of your Result Page (Score Summary Page). ☐

✓ You have saved your Result Page (Score Summary Page) as a PDF file. The PDF file includes your name, your score, and your answers. ☒

✓ You have uploaded the PDF file to the CYF Course Platform. ☒

2/2*

Topic and description of a channel ✓

The *topic* and *description* of a channel let people know what's being
.discussed in the channel

What is the topic assigned to the **#introduce-yourself-to-
?codeyourfuture** channel

"Hint: Search the web for "How to find channel topic on Slack

Please introduce yourself in this channel. ☐

A channel for you to introduce yourself. ☒

A channel to introduce yourself. ☐

Introduce yourself here. ☐

*

?Which community channel to join

Each city/region has a channel where its community can ask questions and discuss in-person meetups and events. Can you match the city/region to its ?corresponding channel

land- # munity	sheffield- # community	southafrica- # community	west- # midlands- community	northwest- # community	london- # community	
☒	☐	☐	☐	☐	☐	Birmingham
☒	☐	☐	☐	☐	☐	Cape Town
☒	☐	☐	☐	☐	☐	Glasgow
☒	☐	☐	☐	☐	☐	London
☒	☐	☐	☐	☐	☐	Manchester
☒	☐	☐	☐	☐	☐	Sheffield

3/3*

Actions to take before asking a question ✓

If John encounters a problem publishing his webpage in Step 6 of the ITD curriculum, which of the following actions should he take before posting a question on Slack? (Please check all that apply.)

Search the web for a solution ☒

Search the Slack for similar questions because they may already have answers ☒

Direct message (DM) a volunteer on Slack ☐

Check the FAQs in the Canvas of the relevant channel ☒

2/2

*

Practicing online search ✓

?Which part of following URL represents a *domain name*

<https://itd.codeyourfuture.io/steps/one/#acceptance-criteria>

.Hint: Lookup what a domain name is

[https](https://itd.codeyourfuture.io/steps/one/#acceptance-criteria) ☐

[https://itd.codeyourfuture.io](https://itd.codeyourfuture.io/steps/one/#acceptance-criteria) ☐

[codeyourfuture.io](https://itd.codeyourfuture.io/steps/one/#acceptance-criteria) ☒

[#acceptance-criteria](https://itd.codeyourfuture.io/steps/one/#acceptance-criteria) ☐

3/3*

Phrase search ✓

When John accessed his newly deployed website on GitHub Pages, he encountered a '404 File not found' error page. If John were to search for a solution online, which of the following search queries would most likely help him find a solution

Why do I get a file not found page at Github? ☐

"404 File not found Github Pages" ☐

"404 File not found" Github Pages ☒

Problems deploying website at Github Pages ☐

2/2*

Obtaining the URL of an image ✓

?What is the URL of the flower image displayed on [this webpage](#)

Hint: Search the web for "How to copy the URL of an image from a
"webpage"

<https://www.pdclipart.org/displayimage.php?album=94&pos=72> ☐

https://www.pdclipart.org/albums/Plants__Flowers/abstracted_dandelion.png ☐

✓ https://www.pdclipart.org/albums/Plants__Flowers/Cymbidium_cultivar.png ☒

Cymbidium_cultivar.png ☐
